MEMORANDUM FOR: PERSONNEL

STATOTHR

SUBJECT : [REDACTED]

STATOTHR

1. [REDACTED] was referred to me by Mr. Harold Gross, General Counsel of the Navy, as someone we might be interested in. He is the son-in-law of the Under Secretary of the Navy, [REDACTED]. There is, however, no pressure on the case, but [REDACTED] appears to be an intelligent young man who is completing his work at Harvard Law School.

2. [REDACTED] is aiming at practice of the law but is not insistent that he be considered only for legal work. Most important, he apparently has made up his mind to go into the Government as a career and may well be the type we want to consider as a basic career trainee.
